CERTIFICATE

SYSTEM EVALUATION AND CONFORMANCE WITH STANDARDS

Certificate-No.: KC/505030770/03/22

Certificate owner: ETM professional control GmbH
A Siemens Company
Marktstraße 3
A-7000 Eisenstadt
Austria

Test/Certification symbol:

System: SIMATIC WinCC Open Architecture (WinCC OA)
from release 3.16 to release 3.x

Scope of Examination: Development process, system architecture and
functionality of safety relevant software-manager
according to certificate annex.

Examined in accordance with:

- DIN EN 61508-1 (VDE 0803 Teil 1):2011-02 (where applicable)
- DIN EN 61508-3 (VDE 0803 Teil 3):2011-02, SIL 1 to SIL 3

Examination result:

The product WinCC OA from release 3.16 to release 3.x was voluntarily verified according to the standards mentioned above. The product conforms with the requirements for application as SCADA System together with safety-related systems up to a safety integrity level of SIL 3. The conditions of verification report No. TS.IS.505030770.FSM.TR.ETM have to be observed for operation.

This certificate is valid including March 31, 2025.
